Deputy Commissioner's Office
Chitaldroog District
Dated 6th March 1895.

To
The Secretary to the
Government of Mysore
Muzarai Department.

Sir,

I have the honor to submit for sanction an estimate for Rs: 2933 covering the probable cost of constructing a new Chatteram in the Town of Chitaldroog.

2. The present Chatteram is a very old and dilapidated building situated in the middle of Mochikéne or Shoe makers' Street. Not only is its situation unfavourable but its satisfactory repair or restoration is also not possible. Nor does it seem advisable to pull it down and rebuild it. The site too is not sufficiently large. Under these circumstances, the best plan is

6-

to build a new Chatteram in a more Convenient locality and afterwards to dispose of the present building either by auction sale or otherwise. The enclosed plan with estimate was prepared for me by the D.P.W. and sent to me with the Executive Engineer's docket No. 62 dated 20th February 1895 Copy of which is herewith forwarded. Ample accommodation is proposed to be provided both for Brahmins and for other Caste Hindus. Sufficient vacant place will also be left all round the building. The proposed building when completed will supply a much felt want.

3. The surplus at the credit of Chatteram in this District at the end of January 1895 was Rs: 2710-1-11. The Cost of the new Chatteram is proposed to be met as follows:—

Rs: 1993. From the said surplus.
Rs: 1000 From the Mysore Annual grant at the disposal of the Secretary.

4. Considering the urgent necessity

necessity that exists for the erection of a new building as you are yourself aware, I hope that you will kindly obtain for this project the sanction of Government at an early date.

5. The work can be more expeditiously and satisfactorily executed by the D.P.W. than by non-professional agency. It was for this reason that I asked the Executive Engineer to do me the favor of getting a plan and estimate prepared. I beg that these may be forwarded to the Chief Engineer for favor of orders being issued for carrying out the work as early as practicable. On receipt of orders, I shall, in consultation with the Executive Engineer select an eligible site for the construction of the Cattleram in question.

Sir, With reference to your docket
No. 831 dated 15th March last,
M.T. 34-94
I have the honour to submit a
revised Estimate and Plan for a
new Chatteram to be built at
Chitaldroog, Amounting to Rs: 3000.

2. I have issued orders
to the Amildar to have the building
in which the Chatteram is now
located to be sold by auction,
and shall in due course report
the result of sale. Arrange-
ments will also be made for
locating the Chatteram in some
building in the town as a temporary
measure. It is calculated that
about 800 Rs will be realized
by this sale.

3. Out of Rs: 3000/- required
for

for the building, Rs: 800 will thus be met from the sale proceeds of this Chattram and Rs: 700/- from the surplus funds of the Chattrams for the whole district (Vide details given in the margin) A sum of Rs: 1500/- remains thus to be provided for.

+ Chitaldroog 217
Holalkere — 37
Molkalmuru 503

out of this Rs: 700/- will be appropriated for the Chitaldroog Chattram.

2. A Chattram suited to a large town like Chitaldroog is absolutely necessary, but as the excess over the Estimate cannot be provided for out of the State grant, I beg to propose that this 1500 Rs: may be advanced from that grant or from the surplus Funds of any other District, to be adjusted by withholding 25 Rs: out of the allowance of the Chattram at Chitaldroog every month. This can be done without causing serious inconvenience to travellers, the average expenditure in the Chitaldroog Chattram now amounting to 30 Rs: out of an allowance of 48 Rs. The Chattrams

in

in the Molakal mmm Taluks are also likely to yield a surplus by means of which it is expected the sum now proposed to be advanced will be adjusted in two to three years.

5. I beg most respectfully that this arrangement be approved of and the Estimate now submitted sanctioned at an early date.

Sir,

With reference to your docket No 1259 Muz: 34. 94 dated 16th instant, I have the honor to submit an Estimate for Rs: 2110 for building one block of the Batticaloa Chatteram and to state that the Estimate cannot possibly be reduced.

Let savings accumulate 9th. 7. 96

2. To meet the cost of the work a sum of Rs: 887 is available. 670 Rs: being the sale proceeds of the old Chatteram and 217 Rs: being the savings effected in the Batticaloa Chatteram. A further sum of Rs: 1223 is required and I beg that this sum or in round figures a sum of 1200 Rs may be advanced out of the General Savings of the Muzaris Department to be by short drawal of the allowances of the Batticaloa Chatteram at Rs: 25 per mensem. The loan will

will there be repaid in 4 years and earlier too if a larger amount of Savings can be effected.

3. By closing the Chattaram absolutely the advance may be recouped in about two years, but the measure involves hardship to poor travellers and therefore I am not prepared to recommend it for adoption.

4. I need scarcely add that a good Chattaram is very badly wanted in Chitaldroog and beg that the proposal now submitted may be sanctioned at an early date.

Sir,

With reference to proceedings of Government No 4195 / Mus 7 34-94 dated 31st July last, I have the honor to request that the decision of Govern-ment in regard to the Chattram at Chiladroog be re-considered.

2. As already stated in my previous letters on the subject a good Chattram is very badly wanted in Chiladroog and if the construction of one is to be undertaken only after sufficient funds accumulate out of the savings of the Chattram, it will be 4 or 5 years before any beginning in this direction is made.

3. In the meantime, the absence of accomodation to the class of travellers that resort to Chattram is very

P.

Keenly felt and it is I beg to submit, a pity that nothing could be done to supply a want so badly felt.

I I beg therefore that my proposal to utilize the surplus of all the Chattrams in the District to build a new Chattram at Chikkaldroog be favorably considered. If the surplus hitherto accrued is not to be utilized for the Ranganath Temple at Konanahalli for which an estimate of Rs 4737 is sanctioned in Government proceedings No $\frac{7078}{\text{Mus } 23145}$ dated 12th January 1896, a sum of Rs 2000 would be available but as Rs 934-3-- out of these savings has been appropriated for that temple, only Rs 345-13-- is available from the surplus belonging to the Chikkaldroog Chattram which, together with the sale proceeds of the old Chattram would amount to Rs 1065-13-. Under any circumstances I beg that the estimate of Rs 3000 may be sanctioned and the work allowed to be started. It will take about a year or perhaps more to finish the work and sufficient funds might possibly by that time accrue to allow of payment being made of the balance due for the work. The building of the Chattram and the accumulation of funds will

progress

progress pari passu as payment will be made for the work as funds become available. The balance of funds required for the work need not now be advanced from any funds.

5 I beg respectfully to submit that the surplus of other Chattrams made available for the Ranganatha Devaru may be allotted for the construction of the Chattram at Chilakwog and an equivalent allotment made if possible for the temple from the State grant. By this means I shall be able to finish the construction of the Chattram at Chilakwog at a much earlier date.

6. I request the favor of early orders on the subject

7. The estimate and plan are herewith resubmitted.

The Dy Comr represents that owing to the want of other accommodation for travellers at Chitaldrug, the Chattram cannot be altogether

closed without causing very great hardship to them, but that, for some time, a portion of the Jaedik allowance attached to the Institution to the extent of Rs 25/ a month may be conveniently saved in view to accumulate funds to meet the cost of the proposed building. He reports that a sum of Rs 1300/- is now available as savings at the credit of the several Buzzai Institutions in the Dt inclusive of the 670 rupees realized by the sale of the old Chattram building

at Chitaldrug and
recommends that
Sanction of Govt
may be accorded
to the Estimate for
Rs 3000 now sub-
mitted and that the
construction of the
work may be started
at once with the afore-
said savings of
Rs 1300 the balance
viz Rs 1700 being de-
frayed by effecting
further savings as
the work proceeds
out of the Chattram
Tasdik at the rate
of Rs 25- a month.
2. Under the circumstances

represented, the Govt are pleased to accept the proposals of the Dy Comr. The Estimate for Rs 3000 now submitted is accordingly sanctioned and returned to the Dy Comr for Execution of the work meeting cost as proposed by him.
